

RESOLUTION 2020-12-29

RESOLUTION TO INSTALL TEMPERATURE SCREENING TABLET

Whereas, the Housing Authority received additional funding from the CARES Act and wishes to utilize it for preventive measures to aid in stopping the spread of COVID19 in the building; and

Whereas, the Housing Authority solicited proposals for a Temperature Screening Tablet to detect abnormal body temperature and no masks; and

Whereas, Total Security has submitted a proposal to provide and install one (1) Temperature Screening Tablet with Facial Recognition; and

Whereas, Total Security would also provide the pole and mounting bracket/stand for a total of \$3,450. This would include installation of software on computers, and warranty of one year on camera equipment, and labor. Also, would include free lifetime technical support; and

Now, therefore be it resolved that, the Board of Commissioners of the Housing Authority Town of Dover hereby approves and authorizes Total Security to install the Temperature Screening Tablet with mount/stand for a total of \$3,450 as submitted on their proposal.
